

BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE

October 25, 2004

IN RE:

**PETITION FOR APPROVAL OF THE
INTERCONNECTION, RESALE AND
COLLOCATION AGREEMENT BETWEEN
UNITED TELEPHONE-SOUTHEAST, INC.
AND MCIMETRO ACCESS TRANSMISSION
SERVICES, L.L.C.**

**DOCKET NO.
04-00260**

**ORDER APPROVING
INTERCONNECTION, RESALE AND COLLOCATION AGREEMENT**

This matter came before Director Deborah Taylor Tate, Director Sara Kyle and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on October 11, 2004, to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the interconnection, resale and collocation agreement negotiated between United Telephone-Southeast, Inc. and MCImetro Access Transmission Services, L.L.C., filed on August 20, 2004. Collocation is one of the elements of interconnection included in 47 U.S.C. § 251, and as such collocation agreements require state approval pursuant to 47 U.S.C. § 252.

Based upon a review of the agreement, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.

2) The agreement is in the public interest as it provides consumers with alternative sources of telecommunications services within the service area of United Telephone-Southeast, Inc.

3) The agreement is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the agreement is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) No person or entity has sought to intervene in this docket.

6) The agreement is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

¹ See 47 U.S.C. § 252(e)(2)(B)

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the Interconnection, Resale and Collocation Agreement negotiated between United Telephone-Southeast, Inc. and MCImetro Access Transmission Services, L.L.C. is approved and is subject to the review of the Authority as provided herein.

Deborah Taylor Tate, Director

Sara Kyle, Director

Ron Jones, Director
